Cultural Management

CERTIFICATE COURSE

Cultural Management

CERTIFICATE OF THE UNIVERSITY OF VIENNA

Designed for Cultural and Social Professionals

About the Course

The Cultural Management certificate course is an international postgraduate program that provides conceptual knowledge and applied skills for the management of cultural and social projects.

A state of the art program, it is designed to bridge best practice and inspirational theory as well as to explore experimental formats and anticipate trends in cultural and social project management. Participants will enjoy training, establish contacts and develop projects in relevant fields such as innovative project management, intercultural communication and international relations, media work and performing within urban environment in times of societal change.

Associated Careers

The course addresses NGO and governmental practitioners as well as individuals who have interest and career ambitions in the fields of:

- Cultural and Social Entrepreneurship
- International Relations and Cultural Diplomacy
- Theatre, Museum and Music Management
- Education and Sociology
- Community Engagement
- Cultural Policy and Cultural Industries

Acquired Competencies

The successful participants will be enabled and empowered to:

- Understand the principles of the cultural and social sector
- Develop projects in the context of social relevance and economic interests
- Gain knowledge and create a toolkit for project planning processes
- Learn strategies for time, budget, team, network and self-management
- Plan international partnerships and European projects
- Communicate in intercultural environments and with the media
- Establish their projects within urban development and community engagement

Entry Requirements

Admission to the course requires a university degree in cultural or social sciences or high school degree with equivalent experience in related fields as well as sufficient English language skills to follow lectures and participate in discussions.

Course Content

		ECTS
Module 1: Code Culture	basic knowledge about the structure, scheduling, budgeting, financing in the form of sponsorship and funding, human resources and team building in a project are taught and trained, especially creative strategies and new ways of designing these aspects in the cultural and social sector, in which time and finances are scarce.	4
Module 2: Global Conversation	the latest developments in international dialogue and professional conduct of intercultural cooperation are elaborated. Culture and identity, diplomacy and cultural policy, planning of EU-projects and intercultural communication to extend and improve the quality of projects will be discussed.	4
Module 3: Media Management	the publication and dissemination of cultural and social projects via the media are in the foreground, as well as learning to increase the visibility of existing media, marketing mechanisms, research and socio-political relevance for the media of television, radio, print and social websites.	3
Module 4: Living City	the city as an entity is worked on as an indispensable playground within the scope of the art of project management. The most important, conflicting and exciting developments occur in cities, which can thus be understood as socio-political and cultural laboratories. In this module the emphasis lies on concrete examples such as the innovative city and community engagement.	3
Module 5: Final Presentation		1
TOTAL		15

The course will start in October and takes place in blocked modules on weekends. Each module will be held from Thursday 5 pm to 9 pm, Friday from 9 am to 8 pm and Saturday from 9 am to 6 pm.

Postgraduate Center

Cultural Management

The University of Vienna is one of the oldest and largest universities in Europe. Staffed with about 9,800 employees, the University fosters innovation in Vienna and its surroundings. About 90,000 national and international students promote intellectual exchange in the city of Vienna.

The Postgraduate Center is the competence center for professional continuing education and training at the University of Vienna. It offers more than 70 master's programs, university continuing education and training courses and certificate courses in the fields of education and social care, health and natural sciences, international affairs and business, communication and media, as well as law.

The portfolio of the Postgraduate Center is complemented by corporate programs, as well as interdisciplinary series of events and projects aimed at creating networks between the world of academia, economy and society.

The University of Vienna guarantees academic quality in accordance with international standards. Its practical orientation and interdisciplinary nature are additional essential quality criteria. In addition, the Postgraduate Center is actively involved in the Austrian and international lifelong learning discourse.
